

July 2007

Dear Mina,

On behalf of Burlington City Council, please accept our congratulations on your partnership with the United Way, and their approval of funding, to support the important work of the Compassion Society.

As you know, being a donor myself, I am very familiar and appreciative of the efforts of yourself, your volunteers and your Board of Directors in running a donated clothing service, free of charge, to those in need of a helping hand. Our community is a better place because of the tremendous efforts of organizations such as the Compassion Society who recognize a need and work tirelessly and with a spirit of kindness and care, to fill that need.

A special word of thanks to your community partners, including the Aldershot Presbyterian Church, for their on-going support.

Best wishes,
