Ms. Mina Wahidi
Compassion Society
Aldershot Presbyterian Church
937 LaSalle Park Road in Burlington

Dear Mina,

Please accept our sincere appreciation for your help in organising donations of clothing and other household items for newcomers to the Halton Region. We thank the Compassion Society for the help provided to the Halton Multicultural Council Transitional Housing Program residents, who needed clothing and extra blankets. In addition your donation also assisted expecting mothers and parents of newborn babies, who needed baby clothing, bedding and baby carriages; as well new Burlington residents for their home decoration items, and much more.

The support of friends and community groups plays a significant role in increasing comfort level among clients of the Halton Multicultural Council (HMC).

HMC is the only agency that facilitates and assists the settlement and integration of new immigrants and refugees to Halton Region. HMC also promotes and offers programs that foster intercultural understanding and appreciation among the diverse residents of Halton.

Every year, the Halton Multicultural Council provides services to approximately 2,400 newcomers in Halton Region. Through the generous contributions of individuals and community groups such as yours we are able to help newcomers establish their new home in Canada.

Thank you again for supporting the Halton Multicultural Council and newcomers to Halton.

Warmest regards and appreciation,

Joanna Matthews
Executive Director
Halton Multicultural Council

Maria Brzeska
Community Outreach Coordinator
Halton Multicultural Council
